Dear Mr. Weisberg:

I thought the enclosed newspaper clipping might prove of interest to you since you have been building a collection on Kennedy assassination.

Also I thought the following from the Hearing on the Assassination of President Kennedy might be of interest:

Vol One page 15 Testimony of Mrs. Oswald

Q. Do you recall the day that you took the picture of him (Oswald) with rifle and the Pistol?

A. I think that that was towards the end of February, possibly the beginning of March. I can't say exactly. Because I didn't attach any significance to it at the time. That was the only time I took any picture.

Oswald purchase the rifle on March 13 1963 from Klein's and was shipped from Chicago on March 20, 1963. He ~~~~ purchase the pistol

sometime after January 27, 1963, and was shipped to him on March 20, 1963. Oswald didn't have the rifle or pistol towards the ending of February or the beginning of March.

Could you give me your opinion on this?

I am also interested in learning [redacted] the published date of White wash III, and any other particulars which will enable me to purchase a copy from you at the earliest opportunity.

Hoping to hear from you soon.

Sincerely yours,

Joseph Price Jr.
